

EU CAP Network Workshop

Innovation and Knowledge exchange - EIP-AGRI

‘Innovative arable crop protection - using pesticides sustainably’

Amsterdam, The Netherlands | Wednesday 19 - Friday 21 April 2023

Programme Outline

The European Commission’s Directorate-General for Agriculture and Rural Development (DG AGRI) and the Support Facility for Innovation & Knowledge exchange | EIP-AGRI are organising the workshop ‘Innovative arable crop protection - using pesticides sustainably’

The workshop will focus on exchanging knowledge and sharing innovative, inspirational practices that can support farmers, advisors and other stakeholders along the value chain to ensure greater uptake of non-chemical plant protection methods in arable crops by using economically and ecologically sustainable approaches.
